The STRIDER

No. 9 November 1979 Don't Forget Your Gloves

In the month since our last meeting those of us who like road races got around.

Dick Ahrenkiel won his age class in a 5-miler in Warsaw, New York.

Four of our club members participated in the New York City Marathon - October 21, 1979.

Elaine Pinkerton	4 hrs., 8 min.
Trish Gage	3 hrs., 56 min.
Joe Shain	3 hrs., 34 min.
Rocky Kimball	2 hrs., 59 min.

On the same day two of our members ran in the Albuquerque Marathon. Phil Hunt ran 3 hrs., 22 min., and 20 sec. Moo Thorpe ran 3 hrs., 25 min., and 28 sec.

Also on the same day in Espanola,
Manuel Baca placed 8th in the 10km.
Gino Brazil placed 10th in the 10km.
Dale Goering won the 40-49 year old division in 10km.
Dede Collins placed 4th for women over all in 10km.
In the 5km I placed 2nd over all. There were others but I am sorry I did not get all results. The snow sort of ran us off.

On November 3, 1979, at the Ann Gilliland 3 3/4 mile memorial run in Albuquerque Kenny Goering won her age division.

Dale Goering placed third in his age group.

I placed 8th over all and 4th in my age group. The next day I had to be in Arizona on business so I took in the North Bank 10km in Phoenix where there were 6000 runners. Jeff Wells from Atheletes West won while Tony Sandoval placed second. I was 47th with a time of 33:15.

There are not many local races scheduled in the near future, but Fred Maas invites us all to a Fun Run at Santa Fe Prep on November 18, 1979 at 11:30 a.m.

Geroge Linn says that Magers Field lights will be on Tuesday evenings from 6:30 p.m. to 8 p.m. for the next 2 or 3 weeks for band practice. School officials say that it is permissable for runners and joggers to use the track.

This time of year road racing sort of drops off but guess what! Cross country skiing picks up and this is what our program on November 20, 1979 is about. Jim York, a darn good runner but a much better cross-country skier (New Mexico State Championship X-C Skier Medalist) will be there to inform us about some of the opportunities in X-C sking and how you could learn and where you can tour or race, etc.

EIGHT P.M. TUESDAY, NOVEMBER 20, 1979, IN FIRST NORTHERN PLAZA, THE BIG ROOM, SEE YOU THERE.
