Vol. 15

May 1980

Egotism is the anesthetic that  
dulls the pain of stupidity.

It's spring and the running weather is perfect. There has been and will continue to be one to two races each weekend somewhere nearby. Many of us have just competed in the Diet Pepsi 10 km, both in Albuquerque and Santa Fe. Also, the St. Catherines mini-marathon and fun run, the Toas 7 mile and a few others. We are looking forward to the Governors Cup in Albuquerque, May 24, Leroy Bearman 4 mile in Albuquerque, June 7, San Juan Pueblo 12 mile and 3.5 mile June 8, the Capital Runaround in Santa Fe, June 28. There are several others and at our next meeting we will have a schedule posted for all races through July.

Beside what has been happening locally a few of our members have done well in two recently held prestigious marathons. On May 4 at the Avenue of Giants Marathon in Northern California, Elaine Pinkerton recorded her personal best with a time of 3 hrs. 35 min. and Nina Ervin completed her first marathon in 3 hrs 50 min. A couple weeks earlier George Linn posted a 2 hr. 34 min. for 200th place at the Boston Marathon.

At the last meeting I announced that my family and I are moving to Wenatchee, Washington in late June. I work for the U.S. Forest Service and I am being promoted and transferred to the Fire Management Office, position for the Wenatchee National Forest. Therefore the Santa Fe Striders need to elect a new president May 20, 1980.

I suggest that you use the attached blank to write in your nomination for president. We will vote for the president at the next meeting. Only those voters who attend the meeting will be counted in the election. You can send or call your nomination to me by May 19, 1980. My phone number is 982-8765 and my address is Rt. 7, Box 127B. Please give a reason for your nomination. Also, if you want the job do not hesitate to nominate yourself. Wanting a job is an important criteria for being selected.

Our program for the next meeting will feature Carl Miller Olympic weight lifting coach and professional physiologist who will talk on the Physiological Reasons for Properly Warming Up. The talk is sexier than the title and I think you will all be surprised, interested, and educated.

I will see you at 8 p.m. Tuesday, May 20, 1980, at First Northern Plaza.

Jerry E. Schmidt  
President

P.S.

Linn's Locker is offering Santa Fe Striders running uniforms for \$14. This is about \$10 cheaper than retail.
