

June, 1982

JUN 15 1982

Our June meeting is to be a fun run (3.5 mi.) and a pot luck dinner at Greg Ohlsen's House at 1261 Cerro Gordo. Let's start early, at 6:30, to avoid darkness. Greg says he'll have some charcoal going, and his hot tub fired up. Topics for the meeting include the upcoming Santa Fe Run-Around on June 19, and maybe the organization of a speed-oriented, competitive running group to train (strain) together.

**STRIDER STATS:**

Correction - Bill Forsyth's time for the St. Kate's race was 19:59, not 23 minutes...sorry, Bill!

Former Strider President, Jerry Schmidt, age 42, placed 5th in the National Masters 20K Championships in March, with a 1:08:34, and has just chalked up a 4:35:3 mile! Corporate Cup Relays, Albuquerque, May 22 & 23. Bill Forsyth did a 56:3 400 M a 5'10" high jump, a 20'1-1/2" long jump and a 37'7" shot put.

Dale Goering was first in class with a 37:32 for the Marine Corps MD 10K in Albuquerque, May 9.

Claudia Smith-Porter ran a 1:05 for first in class at the Taos 6.7 mile race May 23, and Elaine Pinkerton ran 57. Phil Stofregen did a 48:50, and other Striders who ran include Greg Ohlsen and David Otto. Let's get those times in, folks! Mary Nichols was first woman to finish the Run For Congress in Cuyamungue May 23, with a 22:46, and Sharon Adams won first in class with a 35:57. Lucy Huckabee took third place with a 35 and Lee Garcia was edged at the finish to take second place overall. Rocky Kimball ran, but was too modest to call in his time!

Times for the Save The Jemez 10K-plus are: Dennis Cooper 47:03, Dale Goering took first in class with a 39:32, Pete Richards did a 39:50 and Kenny Goering also placed first in class. LOTS OF ACTIVE STRIDERS this month.

**FUN RUNS** Participation is up to 14 or more runners, and we have a 5K and a 10K course to choose from. Meet every Wednesday at 6:15 at the Plaza, and go for a beer afterwards with a jolly crew.

**NEW MEMBERS:** Welcome to the following Santa Feans - Chris Candelario, Tony Monteleone Daniel Cron and Linda Jemison
