## **Editor's Autobiography**

Hi, I'm Diana Hardy your new newsletter editor for the upcoming year. I started running with the Striders last April when I discovered a schedule posted in calendar events listed in a tourism magazine...uh oh. Joining in gave me the opportunity to befriend some wonderful people and to run on some beautiful, enduring street courses and trails unknown to me at the time.

I hail from Dallas TX., born and raised there until 29 years of age. My running started when I was 19 with a 1-miler everyday. My first 5k occurred when I was 22; my first 10k shortly thereafter.

I am a computer consultant by profession working through BDM Intl. for the Human Services Department (HSD) state agency. My job allows me to travel to different locations on a long-term basis. Since Dallas, I've lived in Albuquerque for 1 year, Phoenix for 8 months, and Santa Fe going on a year and a half...where she stops nobody knows.

My job is to serve you...and my country. Please mention your achievements and accomplishments, remember...this news article is about and for YOU! A idea that I have is to list all upcoming events whether they be running, cycling or skiing. Yes, we are runners first, yet some of you might enjoy other activities as well...keep ourselves well-rounded. During my tenure, I'm sure to meet more of you on a personal basis. When you have any news, I can be reached at Jim Westmoreland's residence, 438-8602. I coerced him into this.

## **Race Results**

Jody Visalli ran the Alamogordo Marathon on December 7th with an time of 3:20. She was first overall out of 12 women. The course was flat and the weather was great. She wanted to do better.

John Pollak ran the San Diego Marathon on December 8th with an unofficial time of 2:58:43. He learned something...how to 'gracefully' adjust goals according to circumstances. The course was very hilly!

Congratulations to both of you!

Shirley Lynn, Diana Best, June Dickenson, Beth, Leon, and myself ran the Jingle Bell run on December 14th in Albuquerque, a 5 mile long course. Shirley was 1st, I was 2nd, and Diana B. was 3rd overall. June got 1st in her age group. Way to go Santa Fe!

Jim Westmoreland and I ran the Mesa 10k Turkey Trot while in Phoenix during Thanksgiving. He got first for the Master runners and I ran a PR of 42:34.
