Striders to Do Good

You read right. Several members will be assisting with the finish chute at the state x-country meet for boys and girls at Magers Field, November 15. You might come, too, and support these fine athletes. 9 a.m.

A Song For Us

Geo. Jones and Tammy Wynette have released, "A Couple of Old Sneakers". Very profound and full of symbolism for runners. Catch it on KAFE. The first person to supply us with the complete lyrics by our November meeting wins his or her 1981 dues.
