

We Give You the Run-Around

April 7, 1984

Vol. 3, No. 4

P.O. Box 1818, Santa Fe, N.M. 87501

Dave Giles must be Member of the Month. He has put together the club's first annual Corrida de los Niños in a matter of days and run a tough 5K in 21:33, taking second in his age group, after months on the sidelines. Our long-discussed children's run will be held on the Santa Fe Indian School track, off Cerrillos Road, on Saturday morning, May 19. We have sponsors and need additional ones. Dave has produced entry forms and has already distributed several hundred. The Corrida squad of the Strider race administering team is already at work.

Final assignments will be the main topic at our April meeting, Tuesday night the 17th, at Quinn & Co., offices, 116 East Palace. Be there at 5:45 if you want to run, otherwise, BYObeer and be there by 7 o'clock. And plan on entering your own kids in the race. Help find sponsors at \$250 to \$350 each. We're giving tee shirts to all finishers and charging only a \$1 entry fee, so the economics of this one are different than any others we've done. We have an idea Long Dave may be pleasantly stunned by the size of the turn out for the Corrida de los Niños.

Don't look for Dale Goering, David or Jimmy Macias or Mel Richkind at the meeting, next week. That's the day after the Boston Marathon, Patriots' Day, April 16, & all four are entered. Good Luck to Dale, Jimmy, Dave and Mel. Or, as Dale might say, "Luck has nothing to do with it."

Weather or not, you can tell Spring is near. Bigger turnouts on the Plaza at 6 p.m. every Wednesday; clusters of joggers criss-crossing the town in all directions early in the morning and after work; and almost as many runners from Santa Fe as from Albuquerque out in the cold breezes gutting their way up Gil's Hill at Cerrillos, last week.

Group drink-offs not only continue on Wednesday nights, but after several weeks of Mary Nichols charging through foot-deep snow by herself on the high school track, attendance at Tuesday and Thursday night speed work is rebuilding. Intervals and timed sprints. Group and individual. No membership necessary.

Dennis will up-date us on the Run-Around at the April 17 meeting. The City Council has given the June 23 date final approval since last newsletter. It will start at 7 a.m.. The time was changed so the city would let us start and end on the Plaza. Info has been distributed to national and regional magazines, some with early deadlines. So watch out and help out on starting time.
