

RUNNING OFF AT THE MOUTH:

*We Give You the Run-Around*

---

Newsletter Vol. 3, No. 7 7/4/84 P.O. Box 1818, Santa Fe, N.M. 87501

The July monthly club meeting will be a run and potluck from June Dickinson's house, 608 Calle de Valdes, Tuesday eve the 10th. Arrive by 6:15 to run from June's, while some of our speed-burners do intervals at the high school track and join us in time to eat. Bring your own oats and beverages.

You can reach June's home off Calle de Sebastian, east off Old Pecos Trail opposite the Woman's Club, or north off the lower end of East Zia Road, just above Old Vegas Highway.

The Run-Around is successfully behind us for another year; and out of deference to those who are tired of working on it or tired of hearing about it, the wrap-up report will be kept to a minimum at the meeting. Director Dennis will be off defending South Korea (or North California), but some essential summary will be provided, and any interesting suggestions for next year can be raised.

Membership is at an all-time high as a result of offering Run-Around entry and memberships on the same form. Counting all individuals in family memberships (the Wurst family the hands-down champs for family size), we now have more than 140 Striders.

Turning from quantity to quality (not that the Wursts don't have plenty of both), two-time ladies' Run-Around winner Cathy Quintana is already a member. So we ought to turn our attention to recruiting Erik Vedeler, a 2:21 marathoner who lives in Santa Fe and is the new men's Run-Around champ.

Strider Tom Tiano of Tom's Sport Center is printing our new club singlets; Lois and Sally, art directors. Burgundy (or ? cranberry) and silver. Everyone who hasn't already so indicated and wants one should contact Sally at 988-7400 to order one. Matching shorts will also be available to purchase.

Many Striders will go this weekend to the Los Alamos Mini, with its 5K and testing 20K. That's the one that last year found wonder woman in animated conversation in the middle of the infield when the starter's gun went off; and in second place by one second at the finish of the 20K. This year, she

PULITZER NOTES

Roadrunners Clubs of America give an annual award for the best member club newsletter. So beginning with this issue, we will include the chairman for that judging on our mailing list. This presumes ambitious content. So if you have times, items or gags for the newsletter (especially gags, which make better reading than times) be sure to yell at you-know-whom.
