

MILE MARKERS

We Give You the Run-Around

October 3, 1985

Vol. 6, No. 10

P.O. Box 1818, Santa Fe, N.M. 87504

Two announcements requiring attention this month; one of the regular meeting, and the other about the semi-annual change in the time of our Wednesday night fun runs. The October meeting will be at 7 p.m., Tuesday the 8th, at June Dickinson's house, 608 Calle de Valdes. It will be a potluc a discussion of plans for the Have a Fowl Day Run on Nov. 16, and kicking around new race proposals and suggested group trips (see below).

Effective with the first Wednesday after we leave Daylight Savings Time, Wednesday night get-togethers will start at 5:30 instead of 6 o'clock, and will continue so until spring. If we have the calendar calculated correctly, that would be beginning Oct. 30th, the night before Halloween.

Nice turnout at September's meeting at the Santa Fe Mountain Center in Tesuque. Rocky showed photos of his mountain runs and climbing in the Rockies and Andes, including a couple of spectacular shots everyone agreed ought to be in magazines somewhere. He described his climbing and mountain running experiences; and if you weren't at the show you missed colorful scenes of exotic lands. Rocky has had several articles and pictures published in Runner's World.

Lumping him with June and Tim, we must have more great photographers than any other small running club in the country.

Road Warriors

Dust off your traveling uniforms.

Two possible group gallops upcoming. The Tour of Albuquerque Marathon will have a marathon relay, this year, like the one in Taos. Four persons running five miles each, and an anchor running a 10K. Unlike Sandia, no restrictions as to gender or age group. Dale thinks it would be fun for everyone interested to put their names in a hat, and make a random drawing to pair off swift 38-year-old men with doddering old ladies, and enter half a dozen teams at the event. That's one of the things we can talk about at June's, Tuesday night. If you're interested but can't make it to the meeting,

give Dale a yell within the next week or so. He has an answering machine on his home phone.

Dale is also the author of the idea of getting a gang together to attack the 15K at Fiesta Bowl Marathon on Dec. 7 (see schedule). Or at least, Kenny & Dale are planning to enter. Another group participation to be thinking about. Dorbin has Fiesta Bowl entry forms at his office.

It's also not too early to be thinking about our annual Christmas banquet at the Ore House, and nominations for club officers for 1986.

=Short Strides=

We keep neglecting Russ Smith, an Albuquerque resident but a member for several months and owner of some hot times. Found a worthy excuse to catch up to him with his performance at Shining Season; see Results, next page....Moo and Marc off to America's Marathon at Chicago in two weeks....Note from Tim LeRoy, who moved to Minneapolis to attend graduate school. "We've been backpacking in the Boundary Water Canoe Area. Did two-thirds of a triathlon; skipping the run, again. Marie and I are leaving" (this was written two weeks ago) "...for visit with my family in Milwaukee, and to celebrate my birthday." Tim's temporary mailing address: 5820 Evergreen Lane, Shoreview, Minn. 55126....Word came a day or so too late to acknowledge in last month's newsletter, but Steve Lopez, who lost his life in a tragic accident bicycling west of Los Alamos a few weeks ago, was a Strider member. A PhD who was active in several sports and who had many professional attainments, he joined the club only months ago.
