

MILE MARKERS

We Give You the Run-Around

Nov. 2, 1985

Vol. 6, No. 11

P.O. Box 1818, Santa Fe, N.M. 87504

TWENTY-FIVE OR MORE SANTA FEANS competed in the Tour of Albuquerque Marathon and relay two weeks ago in that city; most of them Strider members. Several hung around for a group snapshot afterward. The unfamiliar face in the middle, here, is Santa Fe native Dave Segura, former world junior record holder (at 2:14) in the marathon. Dave helped stage the Tour of Albuq. In front of him—to left and right—are newcomers Jim Fisher, Dave Copley and Jan Evans. An even more impressive 48 club members ran two weeks earlier at the Duke City & carried off much of the age-group hardware. All member performance info from both races on Results page. (Photo by June Dickinson)

The fifth annual Have a Fowl Day Run 5K will be held at 10 a. m., Saturday, Nov. 16. To enter, bring contributions of non-perishable food to the Fort Marcy Rec area. Otherwise, volunteer to help John Arnold with the race. He needs course marshals, other leg-persons and fresh-baked pumpkin pies.

We get a big turnout and strike a warm, informal note with this popular race; and

-see next page-

NOTAS de la PRESIDENTE

Wednesday, Dec. 18, has been scheduled for our annual Christmas get-together at the Plaza Ore House; and election of new club officers. This event is a popular one among Striders and their families, so don't

-see next page-

raise hundreds of dollars worth of foodstuffs for the Salvation Army. The food goes to the holiday tables of needy Santa Fe area families. Overall male and female winners of the race are recognized and pies and turkeys (the winged kind) are given to runners in random drawings afterward.

The November meeting will be at 7 p.m., Tuesday night the 12th, at Mary's home, 2542 Camino Alfredo. Bill will show slides of his cross-country ski trip through the Sierras last winter; and we will probably make Fowl Day Run & annual dinner plans, as well.

Dave Macias and Tim Burrell were proposed for president at last month's meeting, and Dirk Houtman was again put forward for secretary-treasurer. Nominations continue open until the Christmas banquet, with suggestions especially still needed for a vice president. See Mary's column, above, for notes about the dinner; and December Mile Markers for more details.

forget to reserve space at the Ore House by calling Jerry (982-1904, days, or 983-3282, evenings) or me (471-2806, late evenings) and we'll give more details.

Please consider your nominations for club president and vice president, and also think about the possibility of forming a timing team for the Cochiti Lake Triathlon in July of '86. We have to decide by January if we're going to accept responsibility for this important and lucrative job. A willing, professional team is required and it could be a big step for our club in the Santa Fe-Albuquerque running community.

The Farolito Run on the night of the annual banquet is popular with Striders and families, because it is easy, short and leisurely; not to mention beautiful. So plan to attend, Wednesday, December 18th.

—Mary

Looks like 10 to 20 Striders plan to run the 15K and one or two the full marathon at Fiesta Bowl, Dec. 7th. Some flying, some driving. Albuquerque runners talked recently of chartering a bus so they (and any of us who wanted) could go as a group. If that interests you, get ahold of Jim Apodaca through Gil's Runners' Shoe World in that city. Also suggest coordinating other group plans here by calling Dale's answering machine. Entry price-break deadline is Nov. 9; and race packets have to be picked up by late evening, Dec. 6th.

=SHORT STRIDES=

Speaking of combining speed with luck, our man in Vegas, Polito Grine, not only turned in the fastest full marathon by any Strider for more than a year at the Duke City Marathon in early October, but won a year's free use of the Chrysler convertible pace car in a drawing at the awards ceremony. His 2:39:32 was 16th, overall, of about 500 at the full distance. It was the second time in six months a Strider won the big prize in a drawing at an Albuquerque race....INFO FROM member Lucy

-continued on Pg. 3-

Huckabee, who spends a lot of time and effort on the Special Olympics, asking our help. The project needs coaches, chaperones and workers at athletic events. One year, a dozen club members helped with the Special Olympics track meet, and found it hard work and very satisfying. Contact Teresa Parsons at Agua Fria School, 471-0730, to volunteer.

=Recent Results=

RUN to RADIO TOWERS (11.6 miles to 12,000 feet)—Pat McC, 3rd man, 1:25:46; Rocky, 7th man, 1:28:45; Ed Heffern, 8th, 1:28:59; Lippincott, 14th, 1:36:07; Ed Cartier, 15th, 1:38:44; Cecil, 1:54:31; Shandler, 1:58:49; Brooks, 1:59:41. Pat also 1st masters.

SFIS CROSS-COUNTRY H-S INVITE 5K—Josie, 1st female, 19:39; Margie, 2nd, 19:45; Anne, 3rd, 19:54, as Demonettes, as usual, win girls' team championship.
