We Give You the Run-Around

Feb. 1, 1986

Vol. 7, No. 2

P.O. Box 1818, Santa Fe, N.M. 87504

The naming of Cathy Quintana as Santa Fe's Athlete of the Year for 1985 was announced one day too late to relay to you in our January newsletter. Quintana was naturally pleased at her selection by the Santa Fe New Mexican, but also took the occasion to say how it pleased her that the paper chose an adult road racer for such an honor. The February club meeting will

NOTAS del PRESIDENTE

Meeting for February will be a potluck at my house, Tuesday night, Feb. 11. The address is 2050 Placita de Vida.

From St. Michael's and Pacheco go south past the TV station and PNM building to the first right, turn west and go to the bottom of the hill. My house is the one directly to the right of the El Ice Truck.

The numbers are a little difficult to read, but I'll have lights on and my brown Cutlass in the driveway. The potluck will begin at 7 and the meeting promptly at 8:15. Come at the earlier time if you want to eat or around 8 for the meeting.

I am preparing a survey which will be included in the March newsletter, seeking member views on what the Striders should or should not represent. Opinions will be solicited on fun runs, more or fewer social events, additional (or fewer) races, clinics, cross training, membership fees, philanthropic projects, additional volunteers, new equipment, sponsors and much more.

Questions and/or opinions on what should be surveyed can be mailed to the club address,

be a potluck and at least a brief business session on Tuesday night, the 11th, at Tim's home, 2050 Placita de Vida. See his column, at left, for details about the meeting and instructions on finding the house.

The first Corrida de los Locos was an instant success despite the lack of snow. Some steep upgrades and a chilly wind helped make it a challenging route. Ninety-six persons entered, just about hitting co-directors' Quintana and Dave Giles' target. Thanks to those two and several important volunteers, including but not limited to Cliff, Molly, Dirk and Chrissy.

The next important area race, at least for those in the Real age group, is the Masters' Winter Run-around at SIPI on North Coors, Feb. 9th. See schedule at end of newsletter.

An animated part of the January meeting was a discussion of whether and how much help to give Quintana with the Cochiti Triathlon, this year. Dede agreed to head up the Strider team working on the event. Dennis, meanwhile, will be director of the 1986 Santa Fe Run-Around, and the tentative date is June 7. You'll be hearing from him.

P. O. Box 1818; or give me a call at work (471-6456) or at home (471-3041). An organization such as the Striders is only as good as its members. Staying with that philosophy, it is your ideas and comments which make the difference between controlling our destiny or stagnation. Let's hear from you. Happy running.

=Short Strides=

Winter travel calendars have been busy. Barbara Backer is back from Israel, where she presented a paper on psychiatric nursing. She reports herself awed by her visit to that nation.... Another member ran a sub-35 10K in Maui, and four Striders ran in Mexico (see Results section, below).

Tim, Maureen, Giles and Debi are in Hawaii as you read this... Mary took a weekend in Farmington to ski Purgatory with Tibbetts... And Dirk had a couple of recent ski weekends in Colorado to freshen himself for the coming tax season.

Speaking of skiing, note the success of two members and two sponsors in downhill races listed in the Results section.... Dave Gonzales, runner, former member and clerk in George Linn's Locker not long after the club started, visited briefly on a downtown streetcorner while here for the holidays. He's still a student at Stanford, "...doing some running," and spent last semester in Italy.Apologies to Ellen (Hale) Becker, one of a half dozen members who didn't get their bulletins in time to attend the Jan. meeting.
