## Message from our D.I.P. - Weekend Fun Runs

Hey! It's time once again to reserve a day this year for your very own fun run! We had some great ones last year; we need MORE! They don't need to be large, world class expensive galas...like the Lamy Run. Just a favorite route where all you have to do is SHOW UP!

Examples I can remember last year.

- June's La Bajada climb and plunge (good crowd)
- Tom's Industrial Mile (Prize to all finishers)
- The Last Lamy Run (Good time in spite of the service)
- Greg and Ellen's Potluck 8 miler (Great party)
- Mike's Run (I THINK he had one. I forgot)
- Reece's Arroyo Thing (Better than it sounds)
- Dale's Awful Waffle Run (NOT the waffles!)

One or two others, I think, but my memory is not good.

All you have to do is get to me (Dave) or Diana Hardy a simple flier with the date, time, and where to meet...give it a name too....show a little class. It will then be published in this rag (free).

Here's some ideas, if you're not very creative (if your name appears with the following examples, you might want to go ahead and sponsor it).

- La Tierra 17 (or less) miler to the picnic area on the Rio Grande ( a former popular run of the Striders)....any run where Dorbin gets lost has some merit!
- Rabbit Road Run
- Dale's Rail Run to El Dorado
- Tom's "sewer to Cienega" Run (Corrida de sludge?)
- Mary's Math Run (Richard's Road)
- Graydon's Tano Turnaround
- Ski Basin to the top of SF Baldy (and back) with Picnic.

So, pick a weekend and let's get going! I'll advertise them with the ABQ and LA clubs too, and work with them to get invited there. Have some FUN. In the March newsletter I would like to publish a partial schedule. Call me at 988-7410 to get it printed.
