### **Fowl Day Run - November 21, 1992**

First of all let me say THANKS to all who participated in this year's run and walk and who gave so generously to the Salvation Army. In the three years that I have been this event's race director, this year was perhaps the most satisfying. Not only was this the biggest year in terms of participants, but we finally got some FOUL weather for a change. In addition, several Striders came forward and made my job a lot easier for which I am thankful. Elaine Coleman and John Pollak provided much of the pre-race help and organization (park permit, sponsors, advertising, and obtaining prizes for the random drawing). Dale Goering, June Dickinson, and Dave Sneesby did a great job of marking the course in the snow (to my knowledge nobody got lost). There were many other Striders (too numerous to mention) who helped before, during and after the race by registering walkers, at the finish line, and at the random drawing for prizes. And let's not forget the pie makers who kept that tradition alive. Also, a BIG THANKS to Jim Fisher's Big Tesuque Run for donating the profits from his event to help fund this event.

I'd also like to thank the sponsors for this years run: Controls For Environmental Pollution, Inc., Schlotzsky's, San Francisco Street Bar & Grill, and Santa Fe Screenprinters.

Overall, the event was a success, and the snow made things interesting this year. I look forward to working on this event again next year.

## Race Results

### Gulf Athletics Congress - October, 1992

Jack Lippincott reports from Houston that he ran the Gulf Athletics Congress 20k Championships in October and finished in 1:20.55 which is good enough for 4th place in the 45-49 age group. Congrats Jack!

### 18th Annual Allsup's Fall Roadraces - October 31, 1992

Jim Westmoreland and Diana Hardy drove to Clovis, NM to participate in these races, leaving Santa Fe at 3:30 a.m. Jim won 1st place in the 40-49 age group for his 5k time of 17:42 and setting a new age group record. Yea Jim! Diana attempted the half-marathon. She started her run at a 7:40 per mile pace. At around 7 miles, her knee started hurting. As a result, her average time decreased to a 10:40 per mile pace...and she finished! She also won 1st place in the 30-39 age group. Gee! She also set a new record for the slowest time...1:54.03! These races featured overall winners and the awards were non-duplicating.

### Pecos Valley Roundup- November 07, 1992

John Pollak was the outright winner in the Pecos Valley Roundup 20k run, finishing in 1:18:58 which is a new PR for him...Way to go, JCP! For his efforts, he was awarded a 'broken in', left-footed western boot with the insignia plaque attached on the front. This award should inspire John to return next year and win the right-footed one!

### Phoenix Newtimes - November 15, 1992

Shirley Lynn ran the 10k race in Phoenix bound and determined run under 40:00. Her race resulted in a time of.....38:50! More than 'just under' I'd say! Watch out guys, she's on a hot streak!
