Race Results/Membership News

Mt. Taylor Quadrathlon Results

On February 14, the coed team of Carl Gable, Dolores Gable, Dave Kraig and Jeff Barger took first place in the mixed team category and set a new record with an overall time of 3:37:59. Congratulations!

Master Runners Unlimited Race

In mid-February, the Masters Runners Unlimited held the annual Five-Mile Run-Around. It is famous for its staggered starts, referred to as "handicaps" and are calculated according to age and gender. The idea is to start runners of various ages and abilities at different times so that the group ends together.

Dale Goering won overall, followed by John Pollak.

June Dickinson was female overall winner.

Jim Westmoreland won the 2.5 mile race (a regular race with no staggered starts). Many others Striders also participated and performed great. Congratulations to everyone!
